

**Curriculum Vitae**  
**Prof.Dr.Ali Manna Hussein**

Name	Ali Manna Hussein
The scientific degree	Professor
The work place	Sumer University/College of Agriculture/ Department of Animal Production
The scientific filed	Biology/Animal physiology
Mobile	(00964)7811235757 -(00964) 7711080884 Viber - Whatsapp (00964)7811235757
g.mail	dr.alimm2017@gmail.com
Address	Iraq. Thi-Qar province - Al- Refae district
Birth date	1 / 7 / 1969

**The scientific data**

Degree	Year	College	University	The Specialty
PhD.	2012/12/2	Education for pure science	Basra	Animal physiology
M.sc.	17 / 7/ 2005	Education for pure science	Basra	Animal physiology
B.sc.	23 / 6/ 1992	Education for pure science	Basra	Biology

**The Scientific title**

Professor	5/3/2018	College of Agriculture - Sumer university.
Assist professor	5/3/2013	College of the pure sciences education- Thi-Qar university
Lecturer	21/12/2008	College of education for pure science -Thi-Qar university
Assistant lecturer	21/12/2005	College of education for pure science - Thi-Qar university

**The Scientific experience**

Occupation	Work place	Period	
		From	To
Lecturer	College of science - University of Thi-Qar	21/12/2005	26/12/2005
Lecturer	College of education for Pure Science - University of Thi-Qar	27/12/2005	10/3/2014
Lecturer	College of Agriculture - University of Sumer	10/3/2014	Present
Dean Assistant	College of Agriculture - University of Sumer	1/7/2014	Present

**Curriculum Vitae**  
**Prof.Dr.Ali Manna Hussein**

**Languages**

Language	Reading	Writing	Speaking
English	✓	✓	✓
Arabic	✓	✓	native tongue

**The researches**

No.	Title	Year	Publisher
1	Effect of the ethanolic extract of <i>Datura stramonium</i> in some of physiological and biochemical parameters in male and female of Mice <i>Mus musculus</i>	2008	Uniersity of Thi-Qar -Journal of Thi-Qar sciences 2(1): 15 - 22.
2	Survey study for Tuberculosis T.B. in AL- Refae district / Iraq 2006	2008	Journal of the university of Thi-Qar 4(3):72-75
3	Survey study for <i>blood pressure</i> and relationship with <i>Diabetes mellitus</i> in Thi-Qar governorate 2007	2009	Journal of the university of Thi-Qar 2(5):125 -131.
4	Effect of Ethanolic Extract of <i>Nerium olrander</i> leave in reproductive abilities of the male mice.		The 11 annual scientific of the university of Babylon
5	Effect of the Asbestos suspension in some physiological parameters of mice( <i>Mus musculus L.</i> )	2011	Thi Qare Journal of Sciences ISSN 1991-8690.volume 3 no. (3). 15- 22.
6	Effect of Asbestos suspension in Spermatogenesis and Oogenesis of mice( <i>Mus musculus L.</i> )	2012	Thi Qar Journal Of Sciences ISSN 1991-8690.Vol. 4 No. 2. 70- 79.
7	Effect of the suspension Asbestos in the reproductive abilities of mice( <i>Mus musculus L.</i> )	2012	Thi Qare Journal of Sciences ISSN 1991-8690. volume 8 no. (3).99-110.
8	Study of effect of Oral contraceptives drug in Reproductive abilities of Male of <i>Mus musulus L.</i>	3013	Journal of College of Education for Pure Science ISSN: 20736592 Year: 2013 Volume: 3 Issue: Pages: 1-15
9	A study of some Immunological and Physiological Parameters of male mice infected with <i>Entamoeba histolytica</i> and treated with aqueous extract of Black Seed ( <i>Nigella sativa</i> )	2013	Journal of Thi-Qar sciences 3(4): 34-48.
10	Effect of Glutathione and <i>Nigella sativa</i> on hepatic and kidney damage by hydrogen peroxide in male <i>Mus</i>	2016	Thi-Qar university -Journal of College of Education for Pure Science ISSN:

**Curriculum Vitae**  
**Prof.Dr.Ali Manna Hussein**

	<i>musculus L.</i>		20736592 Year: 2017 Volume: 7 Issue: 2 Pages: 232-247.
11	Study effect of hydrogen peroxide on testis tissue and the extent ability of glutathione and aqueous extract of <i>Nigella sativa</i> to restrain.	2015	World Journal of Pharma-ceutical Research SJIF Impact Factor 5.990 Volume 4, Issue 5, 2277-2285. Research Article ISSN 2277- 7105
12	Comparative study to some of biochemical and histological effects of alkaloids extract from <i>Nerium oleander</i> and <i>Apium graveolens</i> in Females Mice <i>Mus musculus</i>	2015	World Journal of Pharmaceutical Research SJIF Impact Factor 5.990 Volume 4, Issue 05, 219-238. Research Article ISSN 2277- 7105
13	The study of <i>Nerium oleander</i> and <i>Apium graveolens</i> in the body weight and blood parameters in laboratory Mice Females <i>Mus musculus L.</i>	2016	Int.J.A. Science and Research (IJASR)ISSN(P): 2250-0057; ISSN(E): 2321-0087 Vol. 6, Issue 2, Apr 2016, 87-96© TJPRC Pvt. Ltd
14	Study of some of the physiological and biochemical effects of the moon face drug in male and female rabbits	2017	Journal of Thi-Qar University Vol.13 No.3 SEP 2018.
15	Some biochemical and histological effects of the alkaloids extracted from <i>Nerium oleander</i> and <i>Apium graveolens</i> leaves in female mice <i>Mus musculus L.</i>	2017	Journal of college of education for pure science
16	Effects of Glutathione and the aqueous extract of <i>Nigella sativa</i> seeds on liver , kidney and testis tissues damaged by hydrogen peroxide in male mice <i>Mus musculus L.</i>	2017	Journal of College of Education for Pure Science ISSN: 20736592 Year: 2017 Volume: 7 Issue: 2 Pages: 232-247
17	Effect of sertraline and fluoxetine on the reproductive abilities of male rats <i>Rattus norvegicus.</i>	2018	Journal of Thi-Qar sciences
18	Effect of sertraline and fluoxetine on some biochemical parameters and histological changes in male and female laboratory rats <i>Rattus norvegicus.</i>	2018	Journal of college of education for pure science
19	Effect of sertraline and fluoxetine drugs on some	2019	Sent to conference

**Curriculum Vitae**  
**Prof.Dr.Ali Manna Hussein**

	hematological , biochemical parameters and histological changes in male laboratory rats <i>Rattus norvegicus</i> .		
20	Effects of sertraline and fluoxetine on some the physiological and biochemical parameters in female laboratory rats <i>Rattus norvegicus</i> .	2019	Sent to conference

**The scientific thesis under my supervision**

No.	Title	Year
1	Comparative study of the physiological effects of Alkaloids from different plant sources in the mice females <i>Mus musculus L.</i>	2015
2	Study of the some effects of Nigella sativa seeds abstract and Glutathione in mice which treated with peroxide hydrogen.	2015
3	Study of some physiological and histological effects of industrial growth hormone.	2017
4	Study of some physiological and histological effects of antidepressants (Fluoxetine and Sertralin) in albino laboratory rats <i>Rattus norvegicus</i> .	2017

**Subjects**

PhD.	M.sc.	B.sc.
1-Hematology 2-Advanced nervous -system 3-Advanced - reproductive system	1-Hematology 2-Endocrinology 3-Advanced nervous system 4-Advanced reproductive system 5-Biological mechanism 6-General biology	1-Animal physiology 2 - insects 3- Cytology 4- Histology 5- Comparative anatomy 6- Zoology 7- Human biology 8- animal nutrition 9- Child health 10- Molecular biology

**The Supervision and discussing**

1-Supervision and discussing of committees: graduated project, M.sc. and Ph.D thesis.
2-Review many journal scientific research's , M.sc. and Ph.D thesis.

**Curriculum Vitae**  
**Prof.Dr.Ali Manna Hussein**

**The Conferences**

No.	The conference	Year	Place
1	Conference of the Sciences college - Thi-Qar university	2007	The Science college- Thi-Qar university
2	Conference of Sciences college - Al Kufa university	2008	College of science -Al-Kufa university
3	Annual Scientific Conference 11	2009	College of science - Al-Kufa university
4	The first Scientific conference for biology - Sciences college -Thi-Qar university	2012	College of science - Thi-Qar university
5	The fourth Scientific conference - The pure Scientific education - Thi-Qar university	2013	College of education for pure science
6	The first Scientific conference for Agriculture research - Agriculture - Thi-Qar University and Sumer University	2017	College of Agriculture
7	Participation in more than 15 scientific symposiums as Lecturer or attendance		
8	Presenting many Scientific lectures		
9	Presenting awareness lectures to students, Lecturing at the directorate of environment, Lecturing at the youth centers.		

**Membership of permanent committees**

No.	Title	Period	
		From	To
1	Scientific promotional committee- University of Sumer	2015	Present
2	The science day committee- Ministry of higher education and scientific research.	2016	2016
2	Central celebration committee- University of Sumer.	2014	2014
3	The Scientific Committee-University of Sumer - College of Agriculture.	2014	Present

**Curriculum Vitae**  
**Prof.Dr.Ali Manna Hussein**

4	The examination committee. University of Sumer - College of Agriculture.	2014	Present
5	Student Discipline committee University of Sumer - College of Agriculture.-	2016	Present
6	Certification test committee University of Sumer .	2016	2017
7	More than 30 temporary committed		

**Training courses**

Title	year
Development of the employee management skills.	2017
Development of leadership skills	2016
The comprehensive course for the agriculture and water resource staff.	2018
Development of English language	2018
Extract of DNA from different sources and used PCR .	2019
Principle of ELISA	2018
Other courses in difference subjects.	

**Appreciations and acknowledgments.**

1	Three appreciations from Minister of higher education and scientific research.
2	Five appreciations from the president of Thi-Qar University
3	Thirty appreciations from the president of Sumer University
4	Ten appreciations from Deans of colleges
5	Twenty certificates of appreciation
